

PTA is collaborating with **Durham Council of PTAs** and **Parktown Hub** to provide snacks, baby items, and supplies to the hundreds of children and their families of McDougald Terrace who have been impacted by the dangerous levels of carbon monoxide in their apartments. This a call to action for our PTA community to come together to make every child's potential a reality by engaging and empowering families and communities to advocate for the health, safety, and well-being of all children.

Collection details:

When: January 10 - 31, 2020

Where: Drop off items in the collection box located in your school main office. The box will be delivered to the Parktown Hub every Thursday.

Donate Online:
